The outstanding practice facilities at Indian Lake Estates Golf and Country Club include a Practice Green and Driving Range. We have a championship 18 hole Golf Course 6485 yards from the Blue Tees, 6206 from the Whites and 5167 from the Red Tees. We also have a lovely 9 hole par 3 golf course. Electric carts are included in the green fees on both courses.

The semi-private annual membership fee is an exceptional bargain and the daily green fees are consistently below the areas other golf courses. Members are welcome to use their own carts.

The course is available for outings and outside tournaments. The clubhouse Restaurant makes planning events easy and both the Restaurant and the Caddie Shack have drinks and snacks available daily.

THE LAKE

Lake Walk in the Water (Lake Weohyakapka) is one of the best bass lakes in the state of Florida. This spring fed Lake is approximately 15 sq miles with an average depth of 8 feet and some areas as deep as 25 feet. We at Indian Lake Estates are fortunate to have over 1 1/2 miles of frontage on the Lake. We also have an aluminum floating Marina with slips available for rent and a boat launching ramp.

THE PAVILION AND PIER

The Indian Lake Estates Fishing Pier is unique in all of Florida. The lighted Pier is in the shape of the letter T and stretches out from the shore almost 1200 feet, thus making it the longest freshwater pier in the state of Florida. The Pavilion is located at the start of the Pier and is complete with propane grills and covered picnic tables
